

Activity 41

Aim:

You will need –

Activity – To carry out an Advent questionnaire

First you will need to devise an Advent questionnaire. Then you will need to take questionnaire around school and speak to as many children and adults as you can. Next, add up the score and highlight the most popular answers. We used this questionnaire as part of a worship session relating to the season of Advent. It is very interesting to see what people feel is important to them.

Advent Questionnaire To explore the real meaning of Advent
