Activity – To make Rangoli patterns, Eid and Diwali cards

At Bishop Bridgeman we are very fortunate to live in a community where a number of faiths are represented. We believe learning about each other's faith and our shared values enables us to understand the similarities and celebrate the differences and to love each other. Every year we hold a huge Eid and Diwali celebration day. Ethos group made Rangoli patterns, Eid and Diwali cards to hang in our main reflection space.

At our Eid and Diwali celebrations we take part in many activities including tasting Indian food, Indian dancing, parents come into put Mendhi on, make chapattis and many more activities.
