

Activity 46.

Brick Wall

Aim: To show how values impact on all areas of life in and out of school.

You will need – A brick template with each value on it

Activity - To build a brick wall as a visual picture of our community life.

Ask someone to take a brick and draw or write on the brick what it is they experience of that value in school or at home e.g. Put the bricks on display along with some samples of the work of your ethos group.
