This Week's Idea

Thinking of Others

This Week's Bible Verse

Thinking of Others

"Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves"
Philippians 2:3

Let's Ponder!

- * How do you promote positive thoughts and love?
- * Why is it important to think of others?
- * What attributes make up your personality?
- * Think of things that you can do to show others you are thinking about them, especially during this lockdown.
- * Lockdown is difficult for everyone, what can you make and give to others to help them cope with lockdown?
- * How does thinking of others/ making things for others make you feel?
- * God shows his love and compassion for us in many different ways. Can you think of some?

This Week's Prayer

A Prayer

We pray that we may always be compassionate and think of the needs of others. Give us strength to help and support others. Thank you that you provide all that we need.

Amen

This Week's Activity

You will need – A variety of heart shapes, felt tip pens, scissors and pens.

Activity – This activity is designed to promote positive thoughts and feelings of love/ being valued. Firstly cut out several hearts. Think of several people who you will deliver a heart to. Now think of the reason why you would like to send them a heart. You could be saying thank you to someone, saying sorry for something, giving someone a compliment etc. Cut out several hearts and write on the reason why you are sending the heart. It is now time to deliver your hearts. You can do this in person or leave them as a surprise! You could leave a positive message around, school, your home or community for someone to find to brighten up their day!

Ethos At Home

Some activities you can do at home this week!

You could try **one** of these activities at home :-

* Make chocolate spoons to give with your heart.

* Make heart shaped crispie cakes to give with your heart.

* Make a cupcake to give with your heart message.

Have Fun!
