

Ethos to GO!

W/C 15/03/21 no 15

This Week's Idea

Shining Bright!

This Week's Bible Verse

Shining Bright

"Your word is a lamp to my feet and a light to my path".

Psalm 119:105

Let's Ponder!

- * **How can you shine bright this week?**
- * Have a think about the bible verse?
- * What values can you use to shine bright this week?
- * What actions can you carry out this week to shine bright?
- * Think of things that you can do to support others and to enable them to shine bright?
- * Think of 1 thing you are going to do this week that will help you to shine bright?
- * **We are going to think of a time capsule this week.** What things would you put in to show people in the future that we shone brightly? What would you write about to encourage the next generation? What values would you share?

This Week's Prayer

Shining Bright

Dear God, help us to shine bright and to help others to shine bright. Give us strength so that we can encourage, love and support others We give thanks that you sent Jesus to be an example of your light in this world.

Amen

This Week's Activity

Our Trust has a new website that Canon Pilling, your Ethos leaders and Children's Chaplains will be maintaining.

<https://www.ethosatboltonandfarnworthtrust.org>

In the **Blog** section there will be a question, statement or video for you to comment on. This will be our second blog week! Some children from St Maxentius have recorded their thoughts. Either as a class or individually (or both!) have a look at the blog page and leave your comments.

You are going to bury a time capsule, to encourage other generations. It will be opened in the year 3030. What 5 items would you choose to show future generations what life was like? How would you show them how you shined bright? Explain why you have chosen your 5 objects.

Ethos At Home

You can do at home this week!

You could try this activity at home:

* **You will need** – The inside of a kitchen roll, variety of art and craft materials, yellow paper, felt tip pens, pencils, pens, scissors and glue.

Activity – This activity is designed to make us think about the words that we say and the effect of them on others and ourselves. Think about the quote from Psalm 119:105 "Your word is a lamp to my feet and a light to my path". To make your flash light/torch take the inside of the kitchen roll and decorate it with positive words and captions such as helpful, compliment others, pray for others and ourselves, share, smile, laugh, accept others, respect others, support others etc. You can use art and craft materials to decorate around the words. Now make the light by using a triangle shape and a circle cut out of yellow paper. On the yellow triangle you can write more positive words or the quote from Psalm 119. When everyone has completed their torch sit in small groups and discuss the words you have used and the quote from Psalm 119. How do these words impact on others and yourself?

Have Fun!
