

## Activity 65

## Fishing Prayer

**Spiritual Development:** To experience prayer by making and taking part in a prayer fishing game.  
**Prayer Exploration**

**You will need** – Magnetic fishing game, selection of felt tip pens, pencils, fish templates, glue, prayer prompts and pencils.

**Activity** – Firstly, glue the prayer prompts one on each of the fish from the magnetic fishing game. The prayer prompts we used were: **Praise God**, **Thank God**, **Pray for yourself**, **Prayer for Others**, **Pray for the World** and **Closing Prayer**. Take the fishing rod and catch one of the fish. Now, read the prayer prompt on the bottom of the fish and use that to talk to God through prayer. Use fish templates to write down your thoughts and prayers.
