

Activity 24 Ethos Book 1

Aim: To explain the reasons why love is so important to us.

You will need – Heart mobiles, or heart shapes, coloured pens and pencils and art and craft materials if you wish to decorate your heart.

Activity – To make heart mobiles.

First you will need to make a series of heart shapes or a heart mobile. Once you have your heart shapes write why the value of love is important to you. Decorate your heart mobile in any way you choose. Hang your heart mobile in your reflection space for other children and adults to come and read. Heart mobile can be made and given to friends and family. The thoughts on your heart mobile can show what children have learned and reflected about love.
