

## Activity 50

### Aim:

You will need – Blank treasure chests or you could use an empty tissue box, art and craft materials, pens and pencils, paper and card.

Activity – To make a prayer chest

First you need to find an empty tissue box or you can ask your teacher to order blank treasures boxes. You can write prayers with a specific value in mind or even write general prayer. We included our school prayer. Put your prayer chests in your class reflection space or a central space such as in your entrance hall.

## Prayer Chest

### To explore values through prayer

Children and adults can spend time reading the prayers which will bring them strength and allow them to reflect on our Christian values.

#### Our School Prayer

God you give us life,  
May we all live joyfully, work  
and have fun.  
Help us to show com passion  
and kindness to everyone.  
To grow in faith day by day  
and respect one another in  
everyway.  
So we can all make Bishop  
Bridgeman a special place  
where we work, we play, we  
care, we pray.
