Prayer Exploration

You will need – Pair of gloves, paper, laminator, glue, plastic gift bag and glue.

Activity – Prayer gloves are a simple way to help us pray. Firstly, choose a pair of gloves. Cut out and laminate the phrases: Praise God, Say You're Sorry, Thank God, Pray for Others, Pray for Yourself and Closing. Glue Praise God on the thumb of your glove, Say You're sorry on the index finger, Thank God on the middle finger, Pray for others on the ring finger, Pray for yourself on the little finger and Closing in the palm. Next, put your glove on and sit quietly and use the prompts on each finger to pray and talk to God. We then packaged our prayer gloves in a gift bag with a label on, to give to our families as a gift. Prayer gloves can be used at anytime, anywhere.
