Prayer Lights 2

Spiritual Development: To explore how prayer shines in our lives by making and using prayer Prayer Exploration bulbs.

You will need – Fairy lights, fairy light bulb shaped prayer templates, selection of felt tips, string or yarn and scissors.

Activity – In this activity we would like you to think about where the light shines in your life. It may shine in people, things, activities, pets or special places. Spend some quiet time looking at the beautiful fairy lights. What do the colours make you think of? Use the fairy light bulb template to write a prayer, put down your thoughts as you talk to God. You may wish to make more than one bulb and string them together to make a set of fairy lights. You may wish to talk about your prayer and where the light is in your life with a friend or a group of friends.
