Prayer Lights

Spiritual Development: To explore the light in our lives through making and using prayer lights.

Prayer Exploration

You will need – A large, empty glass jar and some fairy lights.

Activity – Put some fairy lights into a glass jar. We used a large glass jar and 2 sets of lights. Find a comfortable place, turn off the main lights, just leaving the fairy lights turned on. Spend some time looking at the lights and thinking about this bible passage. **Matthew 5v 14-16** You are the light of the world. A city built on a hill cannot be hid. No one after lighting a lamp puts it under the bushel basket, but on a lampstand, and it gives light to all in the

house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father in heaven. Take time to thank God for all your talents, skills, qualities and character. Ask God to give you the confidence to go out and use your talents to help others.
