

Activity 110

Spiritual Development:

Rice Crispie Hearts To share love with others.

You will need – Box of rice crispies, cooking chocolate, spoons, heart shaped cookie cutters, baking tray, presentation bags and ribbon.

Activity – The aim of this activity is to spread love and positive thoughts to others through the act of giving. Melt the chocolate in a heatproof bowl and add enough rice crispies until they are all coated. Spoon the mixture into the heart shaped cookie cutters on a baking tray. Put them in the fridge to set. Once they are set put one of the rice crispie hearts in a presentation bag and tie with some ribbon, repeat with the rest of the rice crispie hearts and put them all in a basket. Now spread some love and joy by giving them to others. We decided to give them to the teachers' trough out school.
