

Activity 54

Aim:

Share the Love Snowballs To know how to share the value of love.

You will need – A large piece of paper, a pencil and a paper circle for each child and a whistle.

Activity – Share the love snowballs

First everyone must write on their circle a way that they can share the value of love. Then everyone must screw their paper circle up into a ball to resemble a snow ball. Everyone now plays snowballs until all the snowballs are really mixed up. When the whistle is blown everyone picks up a snowball opens it and reads what has been written on the circle of paper to a friend. In pairs discuss what has been written and then come together to as a group to gather all the responses.
