

Activity 52 Ethos Book 1

Aim: To explore our Christian values

You will need – Plain mugs and specialist pens to decorate the mugs (your teacher will need to order these)

Activity – To make and share values mugs

First you will need a plain mug and then decide on the value you wish your mug to represent. It would be a good idea to design your mug first on a piece of paper. Use the specialist pens to decorate your mug. You can draw symbols, add quotes and questions. Once you have finished your mug it can be a gift to a friend, adult or visitor to encourage them to think about our Christian values. We made a large number of mugs for a special occasion at Bishop Bridgeman and gave one to each visitor.
