

Activity 36

Spiritual Development:

You will need – lolly sticks, PVA glue, sequins, glitter, gems, felt tip pens, ribbon, scissors and any additional art and craft materials.

Activity – Arrange 5 lolly sticks in a star shape and glue the points. To glue the lolly sticks together effectively you will need the help of an adult to use a glue gun. Use a variety of art and craft materials such as sequins, gems, glitter etc. With a friend or in your small group as you are decorating your star think about all the things you enjoy, all the things you are good at and all the good qualities you display. When you have decorated your star leave it to dry. Once dry attach some ribbon to hang your star. Sit quietly and write in your personal journal all the reasons why you are a shining star.

You are a Star!

To recognise qualities in ourselves.
